*September Speaker and Topic Details Overleaf*
Hot Topics in Psychiatry: **Tuesday 12th September 2017**

**Speaker and Topic**

**TOPIC:**

**GENDER DYSPHORIA - THE SHIFTING DIAGNOSTIC AND TREATMENT PARADIGMS**

**Learning Outcomes:**
- An understanding of the changing prevalence of gender variance in populations around the world
- An understanding of the diagnostic paradigms shift in gender dysphoria
- An understanding of current clinical assessment and management guidelines for people with gender dysphoria

**DR FINTAN HARTE** is a Consultant Psychiatrist at the Albert Road Clinic, Melbourne and until recently, Head of Unit, Gender Dysphoria Clinic, Melbourne. He is a Senior Clinical Fellow, Department of Psychiatry, University of Melbourne. He is a founding member and current President of ANZPATH (Australian and New Zealand Professional Association for Transgender Health) and also a member of WPATH (World Professional Association for Transgender Health). He has published a number of articles in peer reviewed journals and is a regular speaker on aspects of gender and sexuality, both nationally and internationally. Dr Harte is a medical graduate of Trinity College Dublin and completed his post graduate psychiatric studies in the United Kingdom. He has lived in Australia since 1985.

**FOLLOWED BY DISCUSSION AND Q&A**
