CLOSING DATE: Friday 15th March 2019

Job Description

Title: Tutor Registrar in Psychiatry
Department: Department of Psychiatry
Reporting to: Professor of Psychiatry and Senior Lecturer in Psychiatry

Objective:

The principal objective of the post is to participate in the development, direction, teaching, facilitation and examinations of the undergraduate teaching programme.

Benefits:

- Participate in clinical courses such as ACLS, IBU and PALS and be refunded up to €450 on successful completion; (Full list of approved courses available from HR)
- Refunds available up to €450 on passing approved examinations;
- Benefit from up to 14 days Educational Leave to support participation on approved courses, exams or professional development activities
- Clinical Lecturers and Tutors are eligible for the RCSI Staff Development Programme which provides funding for Masters Level programmes - MD / MCh / MSc. (subject to some terms and conditions further information available from HR)

Contract:

This appointment is available for a period of one year initially, renewable to a maximum of two further years subject to satisfactory performance.

Salary: €45,000 for Clinical Tutor (pro-rated for part time appointments)

Principal Duties and Responsibilities:

- Contributing to the clinical teaching programme in the senior cycle programmes
- Contributing to the assessment of students in senior cycles programmes. This includes development, delivery and evaluation of course content
- Liaising with heads of department, project leaders for clinical competence and other relevant faculty members in planning, delivering and evaluating teaching programmes
- Providing resources and communication with student groups via the RCSI virtual learning environment
- Delivering the curriculum at a number of sites e.g. assigned hospitals, RCSI Campus
- Assist in drafting exam questions under the direct supervision of the Head of the department and Professors.
- Coordinating exam standard setting
- Assist in the creation of multimedia teaching content e.g. Videos; podcasts etc
- Grading and recording of student coursework e.g. logbook and online quizzes
- Assisting with student exams

Candidate Specification:

Essential

The successful candidate should:

- Possess evidence of registration with the Irish Medical Council
- Possess a keen interest in lecturing and interacting with undergraduate students
- Possess excellent communication skills

Desirable

It would be advantageous if the successful candidate had:

- Previous experience using E-learning/VLE systems
- Previous experience of teaching and assessing students in an academic environment
- Previous experience in research
- Completed at least 4 years of clinical experience post-internship
- MRCP / MRCSI or equivalent

Application Process

Please submit your CV and covering letter no later than 5pm on Friday March 15th 2019.

Informal enquiries can be made to Judy Walsh at recruitment@rcsi.ie or 01-402-2440

Interview Process

Interviews will be held in late March/April 2019

Additional Requirements

Please note that successful candidates will be required to complete:

- Occupational Health Clearance
- Garda Vetting
- Police Clearance (if in residence outside of Ireland for periods of 6 months or more at any stage)

Garda Vetting and Occ Health checks will be conducted by RCSI and partners but provision of Police Clearance certification from countries outside of Ireland will be the responsibility of the successful candidate.
