Irish Journal of Psychological Medicine

# CALL FOR ART SUBMISSIONS

The Irish Journal of Psychological Medicine invites you to submit an original piece of visual art for the front cover of our upcoming editions.

Ideally, your artwork should align with the themes of Public Health, Autism Spectrum Disorder, Student Health or COVID-19, but this is not a requirement for submission.

Submissions can include any original two-dimensional visual art, including photography and digital art.

Please submit original artwork to Ian Rice at [irice@irishpsychiatry.ie](mailto:irice@irishpsychiatry.ie) by **Friday, 21 May 2021**.

Include any relevant themes in subject line or email body.
